

**Making A
Difference**

Today' PTA

We Cordially Invite You to Join in the Hillcrest Elementary PTA. This membership is an investment in your child's future and both parents are encouraged to join. We also welcome all Businesses, grandparents, neighbors, friends, relatives and interested community members who would like to show their support for Hillcrest by joining. This year we offering a **Standard Membership at a cost of \$5 per person** or a **Mustang Membership, which includes one adult-sized "Hillcrest Elementary" shirt for \$11 (T-shirt) or \$13 (Polo – sizes S and XL only).**

As a member of our PTA you can help provide many needed services at the school and it's community. The Hillcrest PTA does many things on behalf of each child in the school and supports our teachers and resources (volunteers, training and tangible items) unavailable from OCPS and other sources. To see a list of events/programs for the upcoming school year we encourage you to visit www.hillcrestPTA.net.

PTA membership is a measurable indicator of the level of parental involvement in a school. This number is looked at by many organizations. Remember this is your school and it is helping to shape your child's life. Make sure you give Hillcrest the attention it deserves through membership and participation in your PTA.

Please return the form below with your payment as soon as possible to your child's teacher. You can also return this form and fee by mail to: 1010 East Concord Street, Orlando, FL 32803. A membership card will be returned to you in a few days.

..... detach here and return with payment
