Making A Difference

Today' PTA

We Cordially Invite You to Join in the Hillcrest Elementary PTA.
This membership is an investment in your child's future and both parents are encouraged to join. We also welcome all businesses, grandparents, friends, relatives and interested community members who would like to show their support for Hillcrest Elementary School by joining the PTA. The cost of Membership is only $5 per member.

As a member of the Hillcrest Elementary School PTA you can help provide many needed services at the school and it's community. The Hillcrest PTA does many things on behalf of each child in the school and supports our teachers and resources (volunteers, training and tangible items) unavailable from OCPS and other sources. To see a list of events/programs for the upcoming school year we encourage you to visit www.hillcrestPTA.net.

PTA membership is a measurable indicator of the level of parental involvement in a school. This number is looked at by many organizations. Remember this is your school and it is helping to shape your child's life. Make sure you give Hillcrest the attention it deserves through membership and participation in your PTA.

Please return the form below with your payment as soon as possible to your student's teacher, drop it off at the front desk of the school or mail it to: Hillcrest PTA, 1010 East Concord Street, Orlando, FL 32803. A membership card will be returned to you in a few days.

Meetings of the Hillcrest PTA are generally on the first Monday of each month at 5:30pm and childcare is provided. More information can be found on the Hillcrest PTA website www.hillcrestPTA.net. All members are encouraged to attend as many meetings as possible.

…….. detach here and return with payment ……..
